

Richard Pohrt, Jr. Collection of Native American Photography

Partial Subject Index

Finding Aid: <https://quod.lib.umich.edu/c/clementsead/umich-wcl-F-1156poh?view=text>

This partial subject index serves as a guide to some of the main individuals, organizations, tribes, geographic locations, events, and other general subjects that are represented throughout the collection. Because this is an abbreviated listing, a number of subjects that are present in Pohrt Collection catalog records are absent from this index. Call numbers for photographs associated with a given subject are listed beneath each entry. To request materials, please return to the contents listing section of the finding aid.
